

It's Pizza Time

Thanks to our local Pizza Hut stores, now every student will be able to participate in the Golfers Gym curriculum at their local schools

January 2011

How Our Program Works

Your participating school will agree to sell cards for \$10 each; \$6 of each sale will go towards providing tuition for your schools students to participate in the Golfers Gym Training and Teaching Program and eventual ownership of your schools very own Golfers Gym System.

Order your cards by:

- **Clicking on the Pizza Hut tab on this site.**
- **Contacting the P.E. teacher at your participating school.**

Golfers Gym Fundraiser

NPC International Inc. (Pizza Hut) has provided all of our participating schools in their service area with an excellent fundraising opportunity.

Introducing Pizza Huts Fundraising Cards

The Fundraiser Card is a credit card size card with 12 peel-off stickers; each sticker is valid for a free medium pizza with up to 3 different toppings, with any purchase of \$15 or more. The card can be used for dine-in, carryout or delivery orders, and is valid at all NPC International owned Pizza Huts.

Pizza Hut Supports Our Schools

Let's all join together and make this fundraising campaign a super success

If you and your family enjoy pizza, why not support the businesses that support our schools and students
